

Rainfall Here Fills Terraces and Lake

Rain which began falling Sunday and continued throughout intermittent periods Monday and Tuesday brought varying degrees of moisture to this section of Jones County.

Largest net precipitation reported was in the vicinity of the gravel pit where as much as 12 inches of rainfall were reported to that area east of Tuxedo where only three inches fell.

Official gauge for the city limits of Hamlin was 5.31 inches.

Of chief interest to Hamlin was the report that most of the terraces and tanks in fields bordering on the watershed are full and tributaries are feeding into the lake which furnishes the city water supply.

A report from Bill Rountree at the pump station revealed that a rise of eight inches in the water level of the city lake had been recorded Thursday morning.

The moisture has temporarily halted harvest of the maize crop in this area and opinion is divided as to benefit or harm to the cotton crop of the county.

County Tax Valuation Up Two Million for '50

Elzy Bennett, Jones County Tax Assessor-Collector reported early this week that the county tax valuations had increased \$2,011,760.

County valuations for taxation for 1949 were \$20,870,655 as compared with \$22,882,415 for 1950.

The increase he said, "is due to the increase in oil activity and new building, both residential and business."

Texas Company Sets Personnel Dinner Date

R. C. Ritchey of Hamlin announced that the Texas Company personnel here will receive a five-year award dinner at the Wooten Hotel at Abilene tonight (Friday) at 6:00 p. m.

The dinner for the local group is in recognition of five-years with no accident.

Mr. and Mrs. H. O. Cassle returned from Dallas after visiting with their daughter and family, Mr. and Mrs. Duffield Smith.

Busses Scheduled For Delivery Soon

Superintendent L. R. Hutchingson has been notified by the state board of education school bus pool that the application of Hamlin for three new busses has been approved and arrival of the new equipment is expected momentarily.

Arrival of the new equipment will serve to relieve a serious lack of adequate transportation for the local system. Condition of some of the equipment now in use is such that it is uncertain whether it will last until the replacement units arrive.

Included in the busses assigned are a 54-passenger Ford bus, a 48-passenger Ford and a 24-passenger Dodge power wagon. The power wagon will come equipped with winches which will aid in traveling over muddy stretches and this will be used as a utility unit.

Mr. and Mrs. A. J. Daniels of Houston were guests in the home of Mr. Daniels sister, Mr. and Mrs. W. L. Meeks, last week.

'TAIN'T SO--

Rumors that circulated generally up and down the streets of Hamlin Thursday regarding the capture of the prowler who has plagued local householders for many weeks proved unfounded when they were investigated by representatives of The Herald.

Police Chief J. H. Foster revealed that he had received a call from the Barrett residence in the vicinity of the old hatchery, regarding a disturbance.

A dog at these premises was creating a commotion that indicated that all was not well in that vicinity. When a search was about to be abandoned, a movement in the weeds caught Foster's eye and search was made.

A very much inebriated gentleman was found wallowing in the weeds and he was badly in need of assistance to right himself. His arrest and identification failed to link him with the prowler who has been mysteriously inactive for many days.

Gregarious animals are those that live in flocks or herds.

Hamlin Schools Set Enrollment Record

Bill Scott of Hamlin Greets Sixty-Five Freshman Candidates as Grid Mentor

Kenneth Daniel Is In McMurtry Band Group

Kenneth Daniel of Hamlin is among McMurtry College Indian Band, Abilene, members returning to the campus Thursday.

Band members are returning early this fall so as to be ready for performances at Tulsa next week. Besides playing at the McMurtry-Tulsa University game the musicians are to make a television appearance. A church service also may be presented.

With 58 scheduled to report, Director Raymond Bynum expects this year's band to be the largest in history of the school.

Hamlin Pied Pipers Defeat Probable As Injuries Mount

Gloom pervaded the camp of the Hamlin Pied Pipers football team on the eve of their annual game with the Stamford Bulldogs.

Rosy prospects that prevailed in early drills of the Pipers were dispelled by a series of injuries which have haunted the team for the past week.

What was believed to have been a minor injury to Billy Sutherland, ace line backer of the team, developed into a serious ankle sprain which has failed to respond to treatment. Loss of Sutherland leaves the eleven with only Frank Albert Tucker at the center position as an experienced gridiron performer. Tucker is rugged at the position and will dispute any

Announcement has been received that no reserved seat tickets will be available for the Hamlin fans at the football game with Stamford tonight.

General admission tickets are now on sale at Reynolds Drug, Waggoner Drug and at the business office at the high school.

Hamlin fans are to be seated in the East stands at Stamford and the traditionally large following will accompany the Pipers to this opening contest.

of them over that position, but his approximate 130 pounds will take a terrific pounding in the defensive assignments he will be compelled to meet.

A shower-room cut suffered on his foot will handicap Don Rowland in the running and punting game of the Pipers and he is down for 60-minute duty at the quarterback slot.

David Butler, first string fullback and Don Elmore, reserve linemen, have been lost to the squad for about a week and this leaves the fullback chores in the hands of Milton Butler and Bobby Potter, neither of whom has had experience in conference competition.

All of this adds up to a woeful outlook for the Pipers as they face a Stamford eleven that has been earning praise from all advance information that can be gained from their training sessions.

Extend of a knee injury suffered by Robert Fletcher, first line end for the Pipers, had not been determined Thursday morning.

Criminal cases pending include a murder charge against Elidio Ramirez, Latin-American farm worker, the report stated. He is alleged to have stabbed to death another Latin-American, Rosalio Moralez. Bond was set at \$2,500.

Grand jury will be charged Monday morning and will get down to investigation immediately. Judge Owen Thomas stated, John Willoughby, district attorney, will present complaints.

W. A. Cassle, Claude Lancaster, R. L. Goodgame and John R. Brown all of Hamlin were named on the jury panel.

Faculty List Takes Large Increase Too

Registration which began last Friday, September 1, brought an enrollment of 320 pupils to Hamlin high school and that enrollment is still not complete.

School authorities listed the registrations as being divided into classes of 82 eighth graders, 68 freshmen, 62 sophomores, 57 juniors and 51 seniors.

This enrollment reflects a substantial increase over that of last year and additional faculty members have been engaged to care for the increase.

Two new elective courses are listed on the course of study for the new term under which students may enroll for instruction in Arts and Crafts and Bookkeeping. Arts and crafts will feature painting and leatherworking with other kindred activities.

Members of the faculty are listed below with degrees, school attended, teaching experience and hometown:

HIGH SCHOOL—
T. C. Blankenship, Sam Houston State Teachers College, MA, 17 years; Hamlin.

J. N. Burditt, BS, Texas A. & M., 2 years, Abilene.

W. P. Chaffin, BS, McMurtry, 1 year, Seattle, Washington.

Gus Dixon, BS, Hardin-Simmons, none; Anson.

Mrs. Mary Farrow, BS, McMurtry, 30; Hamlin.

I. R. Hutchingson, Superintendent, ME, Texas Tech, 20 years; Hamlin.

Miss Louise Mallory, BS, North Texas State Teachers College, none; Lindale.

B. V. Newberry, Principal, MA, Hardin-Simmons, 12 years, Hamlin.

Bobby G. Nunley, BS, Texas A. & M., 1, Ballinger.

Miss Billie Joe Parrish, BS, McMurtry, 1; Abilene.

Mrs. Austin Poe, BA, Texas State College for Women, 14; Hamlin.

Mrs. Camille Simmons, BS, North Texas State College, 12; Hamlin.

Miss Lynelle Sullivan, BS, Abilene Christian College, none, Big Spring.

Vernon Townsend, BS, McMurtry, 2, Rule.

Joe Weir, BS, McMurtry, none; Hamlin.

Miss Jeane Wooten, BS, North Texas State College, none, Mineola.

PRIMARY SCHOOL—
Miss Viola Avants, BS, Howard Payne, 11; Hamlin.

Mrs. Mary Helen Cure, BS, Texas University, 1; Albany.

Mrs. O. S. Freeman, BS, McMurtry, none, Hamlin.

Miss Mae James, BS, McMurtry, 40; Hamlin.

Miss Odean Murphee, BFA, Bethany, 5; Hamlin.

Mrs. D. D. Shelburne, BS, Texas State College for Women, 8; Hamlin.

Mrs. Anna Bell Sills, BS, North Texas State College, 20; Hamlin.

Mrs. Fred Smith, Principal, MA, North Texas State College, 26 years; Hamlin.

Miss Lettie Marie Wade, BA, Bethany, 2, Abilene.

Mrs. Minnie Lee Wilson, BS, Hardin-Simmons, 17 years, Hamlin.

ELEMENTARY SCHOOL—
George T. Black, BS, McMurtry, 4 years, Aspermont.

Miss Dovie Bowers, BS, North Texas State College, none, Denton.

Mrs. Leone Brown, BS, McMurtry, 21, Hamlin.

Marvin Carlton, Principal, BS, McMurtry, 6 years, Hamlin.

Mrs. Olivia Griggs, BS, Texas State College for Women, 15 years; Hamlin.

Miss Mary Lewis, BBA, Hardin

Velta Toler Well Tests For Flow

Growers Urged To Check Cotton Sacks Of Pickers From South Texas for Worms

Hamlin and other area cotton farmers are urged to help prevent the spread of pink boll worms from the South Texas area.

If South Texas picking crews are hired, a report from the U. S. Department of Agriculture says, please see that their trucks and sacks have no cotton in them as the spread of these moths is increasing before they infest your fields.

Gin trash inspection will get underway in this section as ginning gets underway, the report continued, and some apprehension is being felt that considerable spread may have taken place this year by natural means from the South Texas counties. However, wind currents may not have blown moths into your area, so you are urged to check and clean all pick sacks originating in the southern area when brought to your farm.

Your cooperation, the report concluded, may mean keeping the pink bollworm from your community.

Ladies Night Falls Victim of Elements As Lions Postpone

What was to have been a gala event in Lions Club activities on Tuesday night with the observance of their Ladies Night, was halted by a downpour of rain which fell most of the day Tuesday.

First scheduled as an outdoor affair, the festivities were considered as a transfer to one of the school gymnasiums. The continued rainfall forced cancellation of this plan and final holding of the party is pending definite decision of the board of directors.

Cancellation of the event left members of the club without an opportunity to hear an outstanding program and distinguished visitors who had arrived to participate, were compelled to return to their homes.

The regularly scheduled meeting of the club for next Tuesday will be held as planned at the Drive-Inn.

Indians in Canada are legally classed as minors.

Golds Return From V. F. W. Convention

Mr. and Mrs. C. W. Gold returned to Hamlin Thursday after their jaunt to Chicago, Illinois, to which city they were dispatched as delegates to the convention of the Veterans of Foreign Wars.

Gold reports that interest in the convention was particularly keen this year because of the crisis presented by the Korean war.

In India, the King of England is given the title Emperor.

County Baptists To Attend Forty-Fifth Annual Session of Body held at Hawley

Several from Hamlin plan to attend the 45th annual session of the Jones County Baptist Association to be held with the Hawley Baptist Church September 12 and 13.

The sessions will be presided over by Rev. Melvin Byrd, moderator. They will begin at 7:30 Tuesday evening with an afternoon session Wednesday closing the meeting.

Committees have been named as follows:
Nominations—Rev. Dick Lyons, Rev. Fred Moreland, Budget—Rev. Chamber, Rev. A. R. Posey of Hamlin. Mrs. W. T. Gambill, J. R. Swindell, Mrs. A. R. Posey of Hamlin, C. N. Bennett, Fred Sides and Rev. Melvin Byrd. This committee will meet at 10:00 a. m. Wednesday.

Resolutions—J. M. Stagner, Elbert Adams, Robert Roy and Henry Chambers.

The associational sermon will be delivered by Rev. C. R. Williams of Abilene, pastor at Hodges, at 9:00 p. m. Kenneth Hill of Abilene will be in charge of music and will render a special number before the sermon.

Organization and election of officers will be held at 7:45 p. m. This will be followed by a Christian Education address by Dr. W. T. Walton; library report by Miss Bertie Agnew of Anson, WMU report by Mrs. A. R. Posey of Hamlin; Brotherhood report by Fred Sides of Lueders and recognition of special visitors.

Wednesday session will open

Haskell Tickets Open For Public Sale Here

Preparations for a banner turn out for the football game with Haskell, set for Friday, September 15, are already being made by the athletic department of the Hamlin high school.

Tickets have been placed on sale at Waggoner Drug, the high school business office and Reynolds Drug for this first home game of the season. A variety of tickets will be available at the sales sites, according to an announcement from the school authorities.

Options, season tickets, reserved seat tickets and general admission pasteboards will all be sold according to choice.

Production Still Is Found Near Whaley

Report of the finding of a prolific sand in the Swastika pay on the Velta P. Toler Number 1 took precedence over interest in the Amerson pool this week in oil circles.

The well, a Texas Pacific Coal & Oil operation tested a total of 14 feet of Swastika sand on this Ellenburger project and found a commercial producer in this sand. Subsequent drilling to determine thickness of the section failed to produce evidence of water below the sand and a producer is assumed if the operators desire to produce from this level.

Texas Pacific is following its well to the Ellenburger but they original program in drilling this are also expected to test the Canyon Reef as they pass through that horizon.

The well is classed as a wildcat, in that it is approximately a mile from the nearest production.

In the same area, the Port Williams Number 8 is reported to have reached a depth of 2,000 feet. This is to be a Swastika (inside) try.

Little new development has resulted in the Amerson area since last week's report of the success of the J. F. Compton well.

Farris Oil Company is waiting for engine repair on their J. H. Fry Number 1 and Sohio Oil Co. has completed the Sam Baize Number 2 as a producer. Interesting development on the Baize properties is the forcing of Sohio to the location of their Sam Baize Number 5 well through completion of the Amerson Number 2, which is a direct offset to the Baize Number 5 location. Operator had already made location and dug pits for their Baize Numbers 3 and 4.

Round Top Oil Company was faced with a temporary curtailment of their drilling program through lack of pipe and will resume drilling when a supply of pipe is assured.

Of particular interest in Hamlin was the Thursday announcement that the TP Coal and Oil had filed application with the railroad commission to reopen and deepen their S. P. Tucker Number 5-S.

Announced intention of the operator is to drill the well, which was abandoned as a failure in the Swastika, to the Ellenburger. The well also failed to find the Canyon after the Swastika failure.

After the reports from these committees and other business, Rev. L. D. Hall, pastor of the East McHarg Baptist Church, Stamford will give an address on "Civil Righteousness."

Jones County Went With Rest of State In Election Choices

As Jones County voted, so went the state in all except one of the state races in Saturday's voting of August 26.

Complete unofficial returns were:

For Lieutenant Governor—Pierce Brooks of Dallas County 478

Ben Ramsey of San Augustine County 1,098

For Associate Justice of the Supreme Court (Place 1)—Fagan Dickson of Bexar County 788

Will Wilson of Dallas County 686

For Associate Justice of the Supreme Court (Place 3)—Meade F. Griffin of Hale County 1,175

George W. Harwood of Dallas County 262

For Judge Court of 1 Criminal Appeals—Robert L. Lattimore of Dallas County 604

W. A. Morrison of Milam County 847

For Commissioner of John C. White of Agriculture—Wichita County 1,116

J. E. McDonald of Travis County 404

For Commissioner Precinct

Rotary Club Hears Girls Ensemble In Wednesday Meet

Hamlin's Rotary Club was feted at their regular Wednesday noon luncheon with four numbers by the Girls Ensemble.

Numbers rendered to the club were: "My Sins Are Gone", "Leave It There", "In My Green Cathedral" and "Pipes Song."

The ensemble is composed of Kathryn Ritchey, Fatih Simpson, Dorothy Altum, Jere Lynn Irwin, Arlene Durkee, Barbara Posey, Eleanor Hutchingson, Vera Tidwell, Adelle Altum, Willie Upshaw and Margot Patterson.

Visitors to the club were: A. B. Cleburne of Lamesa; Raymond Eakins, Randy Randerson, Gregory Haynes, Walter Carret, Mac Hunter, Gene McDaniel, Odus Trentman and C. R. Pennington all of Abilene; Billy Bryant of Stamford. Guest of Rev. Howard Smith was Joe Norton.

Grand Jury Convenes With Local Members

Grand jury will be enpaneled Court opened its term in Anson Monday morning and the civil docket will be called Tuesday morning.

Criminal cases pending include a murder charge against Elidio Ramirez, Latin-American farm worker, the report stated. He is alleged to have stabbed to death another Latin-American, Rosalio Moralez. Bond was set at \$2,500.

Grand jury will be charged Monday morning and will get down to investigation immediately.

Judge Owen Thomas stated, John Willoughby, district attorney, will present complaints.

W. A. Cassle, Claude Lancaster, R. L. Goodgame and John R. Brown all of Hamlin were named on the jury panel.

The public is invited to attend.

BIBLE COMMENT

Jesus Saw Man at His Best and Worst And Said, 'Beware'

AMONG the saddest words ever spoken by Jesus were these: "Beware of man." Spoken before His disciples, these words are, unfortunately, justified by the tragic realism of life and history. And Jesus was a realist.

During the quiet, peaceful years of Victorian optimism, with its amiable view of man, and its atmosphere of benevolence, we would have considered it inconceivable that in 20th century civilization whole portions of the world could live in fear of one another.

Jesus knew better. The ancient world had its own Hitlers and Stalins. He foresaw the possibility of power-drunken dictators playing an international game of chess with tiny nations as expendable pawns. Prophetically wise, Jesus knew that someday the erring ways of a few might plunge the many into decadent chaos.

But Jesus was not despairing. He said, "How much is a man better than a sheep?" And He compared lost and fallen man to a lost sheep, declaring that the good shepherd was more concerned about the missing member of his flock than the 99 sheep safely in the fold.

This is realism tinged with optimistic faith. For man at his best is good, and there is plenty of evidence of the goodness of man. It is a comforting thought that Jesus considered man capable of redemption. Moreover, it is a comforting fact to know that Jesus gave His very life to redeem his fellowmen.

The recollection of His sacrifice makes it profoundly necessary for us to see man as Jesus did, both at his worst and best. By taking inventory of the evil in human life, we can better recognize false philosophies and wrong purposes.

The sad words of Jesus, "Beware of man," might well serve as a warning to those comfortable and well-fed idealists who view the doings of their diabolical world neighbors through rose-colored glasses.

Our present calendar was brought into use by Pope Gregory XIII in 1582.

BACK TO SCHOOL

There's a Great Day Coming—

Yes, it's a great day when thousands of West Texas youngsters go back to school. Whether they are beginning their first year in kindergarten or their senior year in college, their education is proof of the American heritage of equal opportunity for all.

Our youths of today are intelligent and ambitious. All they need is the full opportunity to develop their ideas freely and market their talents as each sees fit. We must guard that "full opportunity" so that when the "individual initiative and energy" of American youth fathers an idea, they may call upon the American system of free enterprise to make realities of their ideas and ambitions.

It's a Privilege—

Thinking of the Long Pull?

Better Buy Buick!

IF that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motorcar with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and through—a husky that can take a lot of years without crying "Uncle!"

Then, too—this high-styled beauty is proving to be one of the most economical Buicks ever built—easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflo Drive* if you like—and Dynaflo means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing—even engine upkeep—are cut to a minimum.

*Standard on ROADMASTER, optional at extra cost on SPECIAL and SPECIAL models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflo, the quick surge of Buick's Fireball power.

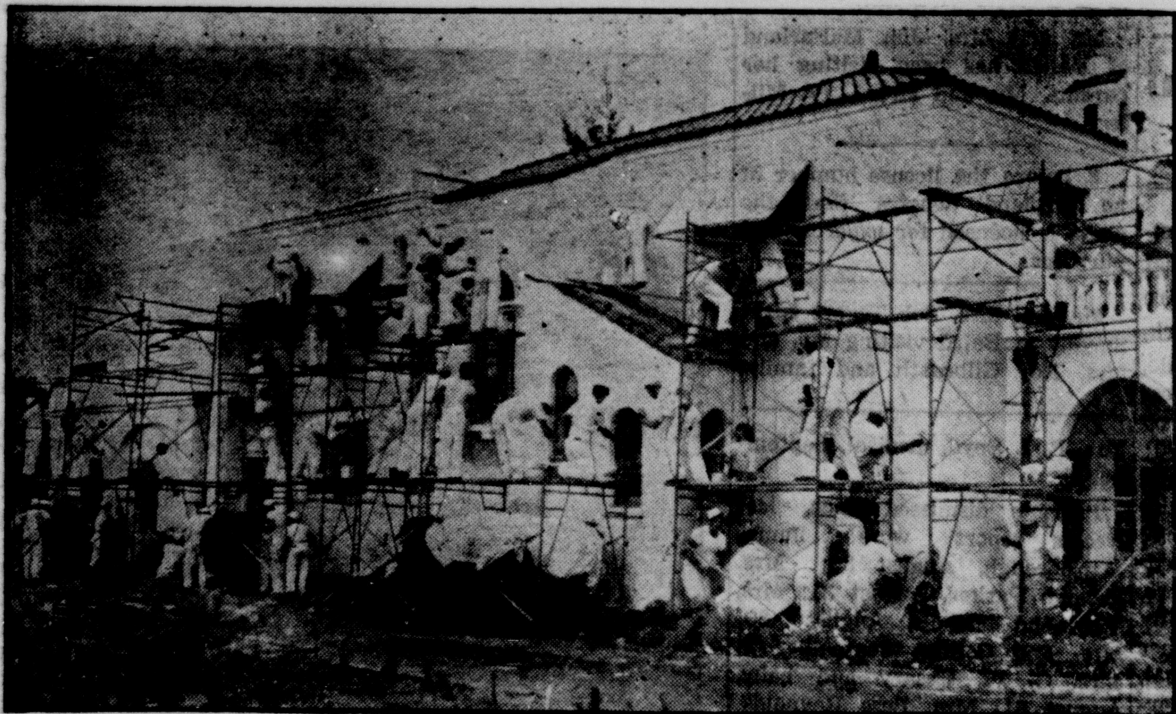

All such things will tell you that this is a car you'll be glad to live with for a long time to come—and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

Hardy Motor Company

Business Activity Shows Highest Post War Level After Uninterrupted Rise

Business activity in Texas ended the first half of 1950 at the highest postwar level, after an almost uninterrupted rise for the past year according to a report to The Herald from the University of Texas Bureau of Business Research.

After adjustment for seasonal variation, the Bureau's index of business activity stood at 235 per cent of the 1935-1939 base period, or 12 per cent above a year earlier. The average for the first six months of 1950 was eight per cent above the comparative level of 1949.

In comparison with the first half of 1949, averages for the first six months of 1950 were higher for five of the seven components. Urban building permits, adjusted for price changes, registered a 64 per cent climb during the first six months of 1950; electric power consumption, 11 per cent; industrial power consumption, nine per cent; retail sales, adjusted for price change, six per cent; and miscellaneous freight carloadings, two per cent.

Crude petroleum production for the first half of 1950 was down two per cent from the similar period of 1949, and crude oil runs to stills averaged eight per cent below a year earlier.

The first indication that the downward trend in business that had been under way since the fall of 1948 had been reversed was revealed in the data compiled by the Bureau of Business Research for July 1949. According to Dr. Stockton, director of the Bureau, the reversal of the downward trend a year ago was apparently the result of the change in business policy with respect to inventories and the continued demand on the part of consumers for durable goods. Housing and automobiles were outstanding in this later category, with furniture and household also strong.

The index of sales of durable goods stores for the first six months of 1950 averaged 528, an 18 per cent increase over the 447 averaged during the first half of 1949. On the other hand, the index of sales of nondurable goods stores for the first six months of 1950 averaged 349 as compared with 358 for the same period of last year.

An even stronger demand for durable goods was indicated in the data on urban construction authorized during the first half of 1950 in comparison with the same period a year ago. The Bureau's index of building permits averaged \$39 for the first six months of this year, 66 per cent higher than the average for the same period of 1949. The index for June was 891, almost nine times as high as the value of construction authorized in the base period.

Industrial production in Texas rose steadily during the first half of 1950, with the Bureau's index of industrial power consumption in June compared with 323 in December. Dr. Stockton said that the first and most obvious effect of the present emergency on the business situation in Texas and all the rest of the country is to insure that there will be no immediate decline from the present high level of business activity.

The new orders for munitions

Vic Vet says

VETS, REMEMBER TO BRING YOUR DISCHARGE CERTIFICATE AND A PHOTOSTATIC COPY WHEN APPLYING TO VA FOR GI BENEFITS

will be added to strong demand already existing and the new demand stimulated by consumers' fears of shortages and rationing to come. This demand has already absorbed the retail stocks of certain commodities and appears to be strong enough to absorb the output of industry at peak levels for an indefinite period to come. It appears likely that some form of allocation of certain scarce materials may be needed even before orders for munitions are placed. If a large scale procurement program is initiated by the services, various controls will be inevitable, and they will very likely result in a reduction in the production of certain types of consumer goods. Since one can only speculate at this time as to the course the war in Korea will take, it is impossible to forecast what will happen to business; the only course the businessman can take is to watch events closely and make his business plans accordingly to the developments as they occur.

for Saving Money!

You're in for a real "double feature" when you OIL-PLATE your engine with new Conoco Super Motor Oil: (1) new-car gasoline mileage . . . (2) new-car power and performance.

Proved by 50,000-Mile Road Test! In a 50,000-mile road test, engines lubricated with Conoco Super Motor Oil showed amazing economy of operation. Average gasoline mileage for the last 5,000 miles of the test-run was 99.77% as good as for the first 5,000 miles. This means that—with proper crankcase drains and regular care—Conoco Super Motor Oil can keep new-car gasoline mileage year after year!

Come in and let me tell you about "50,000 miles no wear!"

Too Much Work For One Person

Editor's Note—Apropos of the constantly increasing number of persons in the employ of the national, state, county and city governments of this country, the following breakdown of the distribution of manpower will be interesting to all students of economics. We regret we do not know the source of this mathematical gem, so proper credit could be given.

Population of United States	150,000,000
People 65 years or older	47,000,000

Balance left to do the work	103,000,000
People 21 years or younger	57,000,000

Balance left to do the work	46,000,000
People working for the Government	22,000,000

Balance left to do the work	24,000,000
People working for various political parties	8,500,000

Balance left to do the work	15,500,000
People in the Armed Services	2,500,000

Balance left to do the work	13,000,000
People in State and City offices	12,800,000

Balance left to do the work	200,000
People in hospitals and insane asylums	126,000

Balance left to do the work	74,000
Bums and others who won't work	62,000

Balance left to do the work	12,000
People in jail	11,998

When landing at an airport, an airplane has the right-of-way over planes taking off.

BEASTS OF BURDEN—An old Korean farmer and his ancient work implements provide contrast for this modern American tank as it rolls up to the front. The two vehicles have one thing in common, however. They are both piled high with the belongings of their owners.

Kelsey, September 3.

LION AND BEAR HIPPOS MAKE SHEEP EYES—Berlin officials added several new wrinkles to the art of diplomacy when they permitted a Russian zone she-hippopotamus to visit a he-hippo in the British sector. After a polite get-acquainted period, authorities removed the bars between the two in the hopes that love might overcome the lingual barrier. It did. And now it is hoped that Soviet-owned "Olga" will present her two-and-a-half-ton British beau, "Knatschke," with a wee one.

Santa Fe System Compiles Crop Data

Crop conditions of Texas and other agricultural data as compiled by the Santa Fe System Lines showed the following to Jones and Fisher County area farmers.

With the cotton harvest completed in the extreme southern part of the state it is now underway through the central and northern areas.

State forecast of 3,000,000 bales compares with 6,040,000 bales last year, the decrease being due to acreage reduction and lower yields, part of the latter being charged to insects which are still active.

McCaulley News

By VIVIAN SHORT

HELLO FRIENDS: I am your new McCaulley News reporter, so if and when you have a news item you may tell me or write me or see Mr. Short at the store, and it will surely be in print.

Well, our school opened Monday morning, September 4 and everyone seems anxious to start the new term.

Superintendent S. L. Smith has selected a good faculty and we wish them the very best of school terms ever.

Our new post office is going up by leaps and bounds and will be a beautiful addition to Main Street. It is made of native rock.

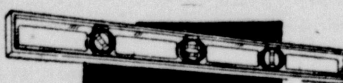

Mr. and Mrs. Baker have built a new cafe on West Main and it is now ready for the fall rush.

Leo Masser, an ex-serviceman in the reserve corps, has received his call to report in Abilene for his physical.

Bud Lee, son of Mr. and Mrs. Carol Lee, has received his call to report at San Antonio, September 5. He will be stationed in New Mexico.

Visiting in the home of Mr. and Mrs. W. F. Davison is their son and wife, Mr. and Mrs. Marvin Davison, of Dallas.

HERE'S SOMETHING ON

The Army's New 'Eager Beaver'

Here's a brand new Army Ordnance vehicle—the "Eager Beaver". The 2½-ton truck, now in full production at Reo Motors' plant in Lansing, Mich., is built for high speed on and off the highway, and is designed to operate normally in sub-zero cold, blistering heat, or with its Gold Comet engine completely submerged in water. Reo has been awarded contracts for approximately 8,900 of them at a cost of about \$55,000,000. In the top panel, the "Eager Beaver" is shown "cruising" in Chesapeake Bay, Maryland.

S. E. Miers left Sunday, September 3 for Dumas, where he will visit his son, Roy Miers, and family.

Mr. and Mrs. Rufus Fancher of Fort Worth were week-end visitors in the home of his mother, Mrs. Della Fancher.

Miss Mary Ann McCollum is home from Texas University at Austin for a few days between terms. She will return for the fall session to finish her MA Degree.

Mr. and Mrs. F. L. Rector report a nice vacation in Lubbock with her brother, Mr. Tate.

Mrs. Laura Woods is visiting in Clovis, New Mexico in the home of her son, J. W. Woods, and family.

Mr. and Mrs. W. W. Webb of Kress were week-end visitors in the home of Mrs. Webb's parents, the Beech Jones.

Mrs. Rufus Herbst has returned from the Hamlin Hospital where she underwent treatment

Nice Increase Shown In Santa Fe Loadings

Santa Fe System carloadings for the week ending September 2, 1950 were 23,695 compared with 19,393 for same week in 1949. Cars received from connections totaled 12,878 compared with 9,274 for same week in 1949. Total cars moved were 36,573 compared with 28,667 for same week in 1949. Santa Fe handled a total of 38,061 cars in the preceding week of this year.

Mr. and Mrs. Buford Dean of San Angelo are visiting in the home of his parents, Mr. and Mrs. John Dean.

Mrs. Lida Peterson of Comanche is visiting her sister, Mrs. Della Fancher.

Mr. and Mrs. L. C. Houghton of Abilene were week-end visitors in the home of his parents, Mr. and Mrs. Sherman Houghton.

Mr. and Mrs. Cecil Eivens were Labor Day visitors in the home of Mrs. A. M. Eivens.

Miss Velma Lou Boyd left last week for Lamesa where she will teach in the schools.

Mr. and Mrs. Albert George and daughter, Mrs. Jimmie Dee Jackson and son, Mark, have returned from an extended vacation into the states of Oklahoma and Arkansas. They report a lovely time and beautiful scenery.

Mr. and Mrs. Buford Griffin of Hamlin were week-end visitors in the home of his brother, Alford Griffin.

Mr. and Mrs. Ben Short are spending this week in Fort Worth and Dallas visiting relatives.

That's all folks, see you next week!

HAMLIN HERALD

OF INTEREST TO WOMEN

Well-Groomed Hair Is a Fall Must

A fashionable fall hat suffers when Milady's hair appears lack-luster. Unsightly dandruff, however, can be prevented when warm oil is applied to the hair part with sterile cotton.

NOW that the first nip of autumn is in the early morning air, it's time to think of conditioning your hair so that it will look its best with new fall millinery.

It's of particular importance, during the fall and winter months, that both scalp and hair be their healthiest. Airless confinement under hats and scarves tends to endow hair with a lack-luster appearance.

First of all, rid yourself of dandruff. Determine whether yours is the flaky kind that results from scalp dryness, or the type that thrives at the roots of oily hair. Then take appropriate steps.

If yours is the dry kind of dandruff, treatments with oil are often helpful. To give yourself a home treatment, warm the oil slightly and rub it into your scalp with a sterile cotton ball. Work carefully along the part of your hair.

When one section of your scalp has been thoroughly saturated, repeat your hair in another place and repeat the process until your whole head has been treated.

Wrap your head in a towel and leave the oil on for several hours—preferably overnight—before washing it out.

The most effective approach in ridding yourself of oily dandruff is to tackle it at its source—excess oil. Try washing it more frequently than you ordinarily do, with a vegetable-oil soap of the type used by physicians and surgeons.

In order to keep your hair at its gleaming best, turn your attention to shampoos. Try various kinds until you discover one that seems right for your hair, and keeps it radiant and soft.

And make certain no residues of shampoo or minerals from the water are left in your hair. If the water you use for hair washing is not ideal you might find it helpful to use a water conditioner in both your wash and rinse waters. These aid your shampoos in lathering more abundantly, and help strip dulling films from your hair.

To safeguard the silkiness of her hair against the soap film or mineral deposits found in rinse water, the alert lady (above) adds water conditioner to both shampoo and rinse water.

Gift Tea Monday Held To Honor Mrs. Harden

Mrs. Jack Harden Jr., a recent bride, was honored Monday evening from 6:00 to 8:00 with a Gift Tea in the home of Mrs. J. W. McCrary.

Co-hostesses were: Mrs. R. L. Kite, Mrs. Bill Harbert, Miss Jeanine Johnston and Miss Marjorie Steed.

The receiving room were decorated with Autumn flowers. Mrs. McCrary greeted guests at the door and presented them to the receiving line composed of Mrs. Carl Phenix, mother of the bride, the honoree and Mrs. Jack Harden Sr., mother of the bridegroom.

Mrs. R. L. Kite directed the guests to the tea table where Miss Jeanine Johnston presided at the punch bowl where she was assisted by Miss Marjorie Steed and Mrs. Mary Farrow.

Miss Oleta Kite directed the guests to the rooms where the gifts were on display.

Mrs. Bill Harbert registered the guests in the bride's book and Miss Onida Rimmer said goodbyes.

Mrs. John Bannon Jr., of Fort Worth, a niece of Mrs. McCrary, was also in the house party.

Jones County HD Clubs Slate Style Show

Jones County's Home Demonstration Clubs are having a Style Show Thursday, September 14 at 2:00 p. m. in the Anson High School Auditorium.

Clothing has been one of the demonstrations worked on this year and the style show is planned to climax the year's work. House dresses, sport dresses or tailored dresses and dressy dresses will be made and modeled by club members.

The following are expected to be represented: Blue Bonnet, Compere, Friendly Circle, Goodman, Friendship, Harmony, New Hope, Neighborly, Hodges, Pleasant Valley, Tuxedo and Willow Creek.

Everyone is invited to attend the Style Show and the program is presented by the Home Demonstration Club women.

If necessity is the mother of invention, then luxury must be the father of it.

You can't say that the man with the moustache is a bare-faced liar.

CLOSE-UP OF THE ENEMY—Sullen and subdued, these three stocking-footed 20-year-olds are North Korean Army officers. They were captured, along with 223 enlisted men, in the Ursong area and brought to a schoolhouse in Taegu for questioning by U. S. intelligence officers. Their "men," savage, ruthless warriors on the battlefield, proved to be youths, age 13 and 14. The officer at left appears to have been wounded in the leg during combat.

Birthday Supper Fetes Elder Leo Pate at Park

Elder Leo Pate, pastor of the Hamlin Calvary Missionary Baptist Church, was honored with a birthday supper last Monday night, August 28 at 8:00 p. m. at the City Park.

Those attending were: Mrs. Rosie Embrey and Viola, Mr. and Mrs. Denver Cavins, Mr. and Mrs. Ebert Neagle and family, Mr. and Mrs. Bynum Sanders, Mr. and Mrs. G. W. Drummonds and family, Mr. and Mrs. J. E. Best and family, Mr. and Mrs. R. J. Cox, Mrs. Leta Slaughter and family, Mr. and Mrs. D. L. Branscum and family, Patsy Hale;

Mr. and Mrs. Bapl Bunkley and family, Mr. and Mrs. W. S. Carter and J. W. Mrs. Ails and Willie, Shirley Nelson, Mr. and Mrs. John Pat Collins and son, Mr. and Mrs. Carl Bingham and family, Elder and Mrs. Leo Pate and Sandra, Geneta Corley, Cagy Branscum, Jo Ann Fannin, Juanéz Branscum, Mr. and Mrs. L. E. Bruner Jr. and son, Mr. and Mrs. Charlie Shipman, Mr. and Mrs. Roy Kelley and family, Madeline Whorton, Merle Bow-en.

UNSWERVING—Five years of invalidism from rheumatic fever failed to swerve curvaceous Dixie Nelson from her determination to become a movie actress. Chosen "Little Miss America" when she was five, she plunged into little theater roles until the disease struck. Once recovered, she returned to the stage and recently, on her 17th birthday, realized her ambition by signing a screen contract.

Boyd Home Scene of YWA Meeting To Hold Tea and Elect Officers As New Members Join

A tea was given in the home of Mrs. W. L. Boyd for the Y. W. A. of the First Baptist Church. Purpose was to install new officers for the year and welcome new members.

Mrs. Joe Simpson presided at the installation services. Mrs. I. R. Huchingson gave a book review.

Officers elected were: Barbara Posey, president; Janet Durham, vice president; Joy Maynard, secretary-treasurer; Eleanor Huchingson, social chairman; Dorothy Altum, yearbook chairman; Eddie Decker, reporter.

Decorations were yellow marigolds. Refreshments of yellow and green punch was served with cookies.

Ladies present were: Mrs. W. L. Boyd, Mrs. I. R. Huchingson, Mrs. Teddy Russell, Mrs. Joe Simpson, Mrs. Weir, Mrs. Jimmie Irwin and Mrs. Willie Upshaw.

Members present were: Barbara Posey, Janet Durham, Joy Maynard, Eleanor Huchingson and Gwen Norris.

New members present were: Kathryn Richey and June Carter.

Mrs. Willie Upshaw was elected as sponsor to serve with Mrs. Teddy Russell for the coming year.

A gift was presented to Mrs. Russell for her sponsorship the past year.

Typographical error—The apparel off proclaims the woman.

RETURN TO AUSTIN.

Mr. and Mrs. Robert W. Harden have returned to Austin after visiting here several days with their parents, Mr. and Mrs. Jack A. Harden and Mr. and Mrs. W. R. Redus.

Mrs. Alfred Hastings of Hamlin was a surgery patient in a Rotan hospital last week.

Cartoonist Thomas Nast is responsible for the Republican elephant and the Democratic donkey.

CATS CAN LAUGH—Cats in Savannah, Ga., can laugh at Jiggs 'cause he's not much of a menace anymore. Owned by Shirley Ann Grimes, the pooch wears a pair of sturdy crutches as a result of a fall from a second story fire escape. He gets around surprisingly well, however, and expects to send feline fur flying when his broken front legs mend.

Jimmie Sedberry and son of Hamlin attended the funeral last Saturday at Aspermont of E. H. Viertel.

Next to the diamond, the sapphire is the hardest stone.

Draft Board Calls Up Seventeen for Service

Seventeen men will receive induction calls for September 26 to fill the Jones-Shackelford County Selective Service Board's quota it has been announced by Mrs. Aubrey Dunwoody, Anson, secretary of the board.

A special bus carried the board's third group of registrants for their physical examinations last Tuesday.

Men to be inducted September 26 will be drawn from the pool of registrants who have passed their physical examinations. They are among the first actual inductions since January 1949.

Texas boards have been called on to deliver 2,413 men between September 18 and September 29 for induction.

Texas has more railroad mileage—over 16,000 miles—than any other state.

Labor Day is the only national holiday recognized by Congressional action.

Harbert Reunion Held As Lubbock Event

Harbert Reunion has held last Sunday at Lubbock.

Those attending were: Mr. and Mrs. J. T. Hart of Lubbock; Mr. and Mrs. Jim Richardson of Sundown; Mr. and Mrs. John Jenkins and child of Sundown; Mr. and Mrs. Bill Harbert and baby of Hamlin; Mrs. Lala Harbert of Hamlin and Mr. and Mrs. Otis Harbert and grandson of Knox City.

TO HOLD BAKE SALE.

Women's Society of Christian Service of the Hamlin First Methodist Church will hold a Bake Sale, Saturday morning at 10:00 a. m. in front of the Bryant-Link Company.

She claimed he married her for her money... and he claimed he earned it.

When some men discharge an obligation you can hear the report for hours.

Mr. and Mrs. George Beavers Jr. and son, George III, of Dallas and Mr. and Mrs. W. H. Walker of Fort Worth visited with their mother, Mrs. Stella Beavers, over the week-end.

Mr. and Mrs. Bob Riddel have returned from a vacation trip to Colorado.

Rev. E. B. Thompson, pastor of Roby Methodist Church, led a revival at McCauley last week.

CARD OF THANKS

We wish to express our deep appreciation to the many friends who performed their many acts of kindness in the loss of our loved one.

This thoughtfulness will live long in our hearts and will earn our everlasting blessing.

Family of Mrs. H. E. Wood 1p

GOOD HEALTH

1. WHAT IS HYPERTENSION?

2. WHAT ARE YOUR CHANCES OF HAVING TWINS?

3. DOES OVERWEIGHT SHORTEN LIFE?

Answer to Question No. 1:

1. It's high blood pressure and is most often due to hardening of the arteries. Old rules of thumb for determining whether your pressure is high, low or normal (for instance, that normal pressure should equal age plus 100) don't mean anything. Let your physician decide whether yours is normal or not.

Answer to Question No. 2:

2. One set of twins is born in about every 87 births. If there is a history of twins in your family your chances go up slightly. About three-fourths of all twins are "fraternal." They may be boy and girl or of the same sex and may or may not resemble each other. "Identical" twins are nearly alike in appearance and are always of the same sex.

Answer to Question No. 3:

3. Overweight of 25 per cent or more raises the death rate in every adult age group by 74 per cent. Doctors and nutritionists generally agree that overeating and eating the wrong foods, rather than heredity or glandular troubles are by far the most frequent causes of overweight. Consult your doctor about what to eat and what not to eat.

A snuff manufacturer is a man who goes around putting his business in other people's noses.

THE NOSE ON JOSE—Putting Jimmy Durante to shame, Jose Ferrer points to the nose he wears as "Cyrano De Bergerac," his new movie. Ferrer, who played the role on the Broadway stage, is now speaking throughout the country on the classic play and the theater in general.

50-STAR FLAG—A fifty-state flag to be used when and if Alaska and Hawaii become states was exhibited in New York by William Hoffman, artist and designer. The flag has 49 stars in seven rows each. The 50th star is superimposed on the center star.

W. F. Johnson Dies In Abilene Hospital

Death ended a picturesque career for W. F. Johnson, 67, Hamlin pioneer at about 8:00 p. m. Tuesday in an Abilene hospital.

William F. Johnson was born March 30, 1874, in Bosque County, Oklahoma, on October 4, 1896 to Miss Emma Lee Goddard and after two years moved to Jones County. After his removal to Hamlin he formed a trucking company following a 20-year span as a farmer.

Johnson continued in the operation of the truck line until 1939 when he assumed other duties.

For many months he has acted as transport agent for the mails from the depot to the post office and also assisted in distribution of city newspapers here to downtown distribution points.

Johnson was always active in his own and neighbors' behalf and despite the ravages of disease he performed his duties faithfully until about 30 days ago when ill health forced his retirement from treatment.

He will long be remembered for his constant good humor and vivid participation in the events which surrounded him.

Surviving are the widow and eight children. The children are: J. Frank Johnson, Waco; Mrs. Dode Sanford, Abilene; Earl Johnson, Hamlin; Joel Johnson, of Brownwood; Clarence Johnson, of Mansfield, Arkansas; Albert Johnson, San Angelo; Mrs. Clinton Gillis, Abilene and William Johnson, Dublin.

In addition to the immediate family, 25 grandchildren survive Johnson.

Funeral will be conducted from the First Baptist Church at 4:00 p. m. Thursday with Rev. A. R. Posey officiating. Rev. Posey was assisted by Rev. George Ray of Abilene and Rev. Dan Jones of Rotan. Burial will be in the Nelda Cemetery under the direction of the Barrow Funeral Home.

SLEEPERS BY THE DOZEN—Mr. and Mrs. Clarence Colberg and three of their children slept in the family car after being evicted from their ten-room frame house. Seven other Colberg youngsters, exhausted by the ordeal of moving from their house in Chicago, slept in the homes of neighbors. The family of 12 were evicted so that their property can be used for commercial purposes.

Office Supplies Galore at The Herald Office.

Cold Storage Holdings of Dairy Produce Jumps Eleven Percent in Texas Report

Cold storage holdings in Texas of dairy products rose 11 per cent in July from June, according to a report to The Herald from the University of Texas Bureau of Business Research.

July holdings of evaporated and condensed milk stepped up 65 per cent from June; cream, 60 per cent; creamery butter, 36 per cent; and cheese, five per cent.

In comparison with July 1949, cold storage holdings of dairy products skyrocketed 110 per cent in July 1950. During the 12

month period, holdings of creamery butter stepped up 159 per cent; cheese, 129 per cent; and cream, 18 per cent. Holdings of evaporated and condensed milk dropped 56 per cent during the 12 month period.

Cold storage holdings of fresh vegetables advanced 45 per cent in July from June; dried and evaporated fruits, 42 per cent; frozen fruits, 34 per cent; hides and pelts, 20 per cent; shelled eggs, nine per cent; and frozen vegetables, two per cent.

June-to-July declines were recorded in holdings of nuts, 18 per cent; frozen eggs, dried eggs and frozen poultry, seven per cent; and meat and meat products, six per cent.

Compared with July 1949, holdings of frozen vegetables rose 127 per cent in July 1950; followed by frozen fruits, 117 per cent; hides and pelts, 52 per cent; frozen poultry, 26 per cent; frozen eggs, 25 per cent; meat and meat products, 19 per cent; and dried and evaporated fruits, three per cent.

During the 12 month period from July 1949 to July 1950, cold storage holdings of shelled eggs slipped 40 per cent; nuts, 28 per cent; and fresh vegetables, six per cent.

Heart Attack Fatal To Mrs. E. M. Long

Funeral services were conducted Sunday for Mrs. E. M. Long, 49, of Hamlin who passed away Saturday at 1:25 a. m. with a heart attack at her home 1013 South Central Avenue.

She was born near Scranton, October 8, 1900 and was a native Texan.

Services were conducted at the Hamlin Assembly of God Church at 4:00 p. m. Sunday, by Rev. McMillon of Anson, assisted by Rev. Howard Smith, pastor of Church of the Nazarene.

She is survived by her husband; four children, Lenard of Hamlin, Doris of McCool, Mississippi, Mrs. Agnes Hall of Hamlin, Mrs. Lois Lones of Hamlin; six brothers, J. C. King of Redlands, California, A. V. King of Olton, Rev. S. J. King of Hamlin, I. A. King of Post, Bill King of Stanton, Joe King of Clyde, one sister, Mrs. G. G. Long of Hamlin. One sister preceded her in death. She was also survived by 16 grandchildren.

Other relatives from Muleshoe, Olton, Lamesa, Anson, Abilene and Roswell, New Mexico attended the services.

Interment was in the East Cemetery under direction of Barrow Funeral Directors.

China, Russia and India are the three largest countries by population.

NOTICE!
Mrs. F. W. Tipton of Abilene, teacher of piano, would like to meet with all those who are interested in taking private piano lessons. If you would like to have one lesson a week or two lessons a week, beginning or advanced, please be in the high school auditorium at 12:30 on Tuesday, September 12.

Mrs. Tipton holds a BA degree in piano and has done graduate work in piano and theory in H. S. U. She has had five years experience teaching private pupils and is a former member of the A.C.C. faculty. 1p
